March/Márta 2024

**Leaping Into March...** *We'd an extra day this February for the leap year and there still weren't enough days in the month to get through everything! Nevertheless, we managed to juggle most things and so a busy month has now passed and we look forward to the madness of March! It's kind of hard to believe how quickly the year is flying by. Well, you know what they say about time flying and all the rest...Enjoy the Easter holidays when they come around. Slán for now.*

## Special Events/Activities/News/Curriculum News

**SPORTS:** From Olympic Handball to soccer to hurling, boys from 1st to 6th have been busy over the past month representing the school at various events. Thank you to all the teachers who have prepared the boys for these competitions/blitzes.

**CREATIVE CLUSTER ARTS INITIATIVE:** The Creative Arts Cluster Workshops are in full swing. The boys get a chance to flex their creative skills and to work with girls and boys from the other two schools on the campus. Well done to all involved. Huge work!

**RETREAT/CONFIRMATION/CHOIR:** Mr Coskeran brought his Sixth Class Confirmation candidates to Holycross for a retreat in preparation for Saturday's Confirmation ceremony which will be celebrated by Archbishop O'Reilly. Fourth and Fifth Class choir were terrific at the Ceremony of Light recently and we look forward to the boys turning out in great numbers again on Saturday morning. Thank you to all parents for your support.

**INCUBATION PROJECT:** We are well into our Incubation project, and fingers crossed we'll be welcoming some new arrivals (chicks!) to the school in the next week or so!

**PAST PUPILS OISÍN & TOMÁS' GHANA PRESENTATION:** We were delighted to welcome back Oisín O'Grady and Tomás O'Dwyer (both now in TY) to give a presentation to our assemblies on their upcoming trip to Ghana in June. We hope to do a little fundraiser in Term 3 to support the boys' trip which will involve teaching English, helping with the building/renovation of a school & bringing out much needed supplies to the children in the school.

### News from our Parent Association:

The Parent Association is planning a calendar of events for the upcoming **Engineers Week**, including a competition to make a PAPER HELICOPTER. This will be held in the school halla on Thursday 7 March. Inspiration can be got from the following YouTube video:

The Parent Association would appreciate all support for its upcoming **St Patrick's Weekend Table Quiz** to be held in Brosnan's Bar on Friday 15 March at 8.30pm. Always a great night. Letters from the Parent Association to follow next week.

Finally, the PA will be decorating the school for St Patrick's Weekend with bunting that will be coloured in by all the boys in the school. NEW MEMBERS always welcome. Contact [pa@cashelbns.ie](mailto:pa@cashelbns.ie) or on our Facebook page **Cashel BNS Parent Association**

### Fundraising

The new building extension and car park/drop off area/bus zone is coming on very nicely. There can be unexpected setbacks (including a recent one in relation to increased electricity supply) but we remain hopeful that we'll be in for September. Fingers and toes crossed! However, there are going to be considerable costs associated with the new building that will not be covered by the Department of Education. We will be asking for your support over the next few months to help with these.

1. **School Lotto** - the girls and boys school hope to launch a weekly school Lotto after the Easter holidays. We may continue with a termly 50/50 draw but the weekly lotto would be a consistent income stream over the course of the year. More details will follow in April.

2. We are delighted to announce a joint fundraising venture with the girls' school and Cashel rugby club. ABBAESQUE will play the rugby club on **Saturday 29 June**. More details to be announced as soon as everything is agreed. Keep the date free. We're planning a great night!
