

October

Run Around Europe

During October we took on the 'Run around Europe' challenge. Classes from 1st to sixth chose a landmark as a target and set about reaching it. Each lap of the yard was taken as 1 kilometre with all the laps added together to reach such famous landmarks as Big Ben in London and The Eiffel Tower in Paris.

Fourth Futsal

Miss Curry's fourth class took part in the FAI Futsal competition in Cahir. Futsal is similar to soccer with an emphasis on developing the skills of passing and ball control. It was a great day out!

Halloween Run

All Superheroes need to be super active and our pupils are no different as they took part in a lunch time run for fun all dressed up in their Halloween costumes!

U-11 Football

Our U-11 footballers took part in a blitz in Leahy Park, Cashel. Everybody got to put their afterschool training to the test in what was a cold but enjoyable experience. The boys even walked to and from the pitch in what was a very active day.

Active Maths

Classes took their Maths classes outside and realised that PE isn't the only subject that involves being active!
