Work package for Mrs Bane's First Class Room 4

Week beginning Monday 30 March 2020

Dear Parents and Guardians and all of our First Class boys,

We hope that you and your families are safe and well. We know this is a strange and difficult time and we are all really missing school and our friends but a crisis often brings out the best in you and you discover qualities that you never knew existed within you. We have no doubt that all of you boys in First Class will rise to the occasion. In these challenging times, we will do our best to help you and your family to get through this difficult time and hopefully we will all be back in school soon.

Mrs Perdue and I would also like to sympathise with Micheál Ryan and his family on the death of Micheál's grandad Maurice Ryan. We are all thinking of you, Micheál, and your family. X

Here's your plan for the week ahead. Remember to just **do your best**, and, only if you can, send on a photo (one per week) of a piece of work you are most proud of (or a pic of you doing a particular activity) to homework2020@cashelbns.ie with my name (Mrs Bane) in the subject bar. I will respond via email to any pieces of work that are sent to me. We'll also post the photographs of you and/or your work to the school's website (www.cashelbns.ie) so we can see each other working in our 'home' classrooms!

Furthermore, if you've a question or query on any of the assigned work, email me at homework2020@cashebns.ie, again with my name in the subject bar.

Slán for now

Mrs Bane and Mrs Perdue
