Dear Parents/Guardians,

Greetings from school! Please come to the school and collect your sons' belongings. His belongings have been 'bagged' and are in his classroom.

**Please note that if you have more than one son in school, all your sons' bags will be in your eldest son's classroom.**

Enter through the front door and leave via the door at the end of the corridor that is closest to your collection point. Use the hand sanitiser provided. You may have to wait in line. Please do not bring children to school where at all possible. We want everyone to stay safe.
