THIRD TO SIXTH CLASS PLAN FROM MONDAY 1-FRIDAY 12 MARCH

Dear Parents/Guardians of 3rd to 6th class boys,

Firstly, thank you to those of you who have stuck with it for the past few very difficult months. I understand from talking to many of you the challenges you've faced, but the determination to try and keep the show on the road for the sake of your son's educational progress is very much admired & appreciated.

With the junior end back on Monday, the two weeks of March before the senior end's likely return on 15 March may pose further challenges.

Motivation and engagement levels could further decrease despite the end being in sight. In truth, it's to be expected. It has been a long road.

With this in mind, we are going to change our approach for the two weeks to include **live interactions** with the class & SET teachers.

While we understand that your son may not be able to attend all the live sessions, there is an expectation that he is there if at all possible as we continue to press ahead with our work. Please let the teacher know if your son cannot attend. We would also encourage your son to turn his camera on for optimum interaction with the class teacher.

If a teacher has to take the call on his/her own (we will endeavour to have two staff on the call), the session will be recorded solely from a teacher and child protection perspective, will be stored securely on the teacher's device & will not, under any circumstances, be shared.

Teachers will be in contact with families via text and Dojo/ Google Classroom with their more detailed plans and login details for the live sessions.

Below is an overview table for your convenience and planning.

Thank you. We're nearly there, one last push!
