RE: SCHOOL CALENDAR 2021

Dear Parent/Guardian,

The production of the school calendar over the last number of years by the PA has proved such a huge success that it was decided at a recent committee meeting to produce a calendar for 2021. The calendar is a huge undertaking and could not be produced without the co-operation of the principal, teachers & office staff.

Each class will be photographed as a group and there will be smaller group pictures enclosed on the page of daily activities that take place during school hours. There is a sample in the notice board at the school gate.

This year the calendar will cost €6. The final date of orders will be **Friday 6th November** this will allow us ample time to place the orders, view the proof and make any necessary changes before distribution.

If you are interested in purchasing a calendar, follow the link which will be sent to your mobile and pay according to the amount of calendars you would like to purchase i.e. €6 for one €12 for two etc.

You can still pay by cash if you call to the office, but we're very much encouraging epayments at this time.

Thank You,
Yours sincerely,
